

INSURANCE AND PAYMENTS POLICY

At Olive Health, we accept multiple insurance carriers to facilitate effective healthcare delivery. It's crucial that patients disclose their specific insurance plan details to ensure seamless service. Lack of coverage can impact not only the cost of office visits but also prescription expenses and our ability to provide referrals.

To maintain clarity and support patient well-being, we have implemented a clear policy regarding insurance changes and payment balances. Our primary focus remains on promoting the health and wellness of our patients, and we are committed to dedicating our efforts toward this objective.

ACCEPTED INSURANCE

HMO Plans are those in which the carrier has a list of contracted In-Network providers that a patient must adhere to

PPO Plans generally provide more flexibility to use providers both in and out of network without a referral

Olive Health will accept all Plans from In-Network carriers, all PPO plans with out of network benefits, and offer affordable self-pay options. For the most updated carrier list please visit our website. Email frontdesk@olivehealthfl.com for questions regarding what is accepted.
